Once again, our meeting will be held at Central Washington University in the Mary Grupe Center from 10:00 a.m. to 3:00 p.m. Please see the attached agenda for all the details.

Also, please see attached the latest edition of the WSASEA Fall Newsletter! You will also find it on the website. Click on "Newsletter" on the left menu at <http://www.wsasea.org> to see the latest news! You can also find useful links and a wealth of information on the website.

To warm up the morning, coffee, tea, and hot chocolate will be provided, along with an assortment of fruit and muffins. A hosted lunch is also provided. This year we will go as a group to the Holmes Dining Center in the CWU Student Union Building for lunch. You will have ample opportunities to network with your colleagues from all across the state!

This year Jaqualyn Johnson from Career Services at Central Washington University will present on "***Finding Jobs in a Down Economy***". We will also have an update session with the Higher Education Coordinating Board, and a JLD workshop to share ideas with colleagues from around the state. Please bring ideas and forms that you use for your program and recruitment.

Remember, if your school has a federal Work Study JLD program, you can use JLD funds for travel to the meeting. Please RSVP to the [treasurer@wsasea.org](mailto:treasurer@wsasea.org) and I look forward to seeing you there.

Cordially,
