Job Location and Development Workshop-

Strategies- Challenges

Sub program where schools can take a certain amt of fed work std allocation to use that money to develop off campus jobs - job posting for off

campus community jobs that are not FWS or SWS. To be reported on the FISAP end of year. 10percent of 50K

JLD can be used for temp staffing, travel, inst match part of FWS use as part of JLD> IFAP website for Regulations.

Find community service jobs off campus FWS

Take one at your expense and I will give you one at my expense "Eugene Carroll-Clark College

Approach employers for holiday hires- Kitty Parker

Ronda H. – SERC employment fairs, internships, Attend Chamber meetings, HR meetings.

How to report at end of year to support how JLD was spent- Interphase Use Access

Ask employers to report number of students hired for off campus community job

Use Excel Spread sheet

Need to get a percentage of how many students were hired compared to how many job were posted.

Jobs based on commission- not posted i.e. cutco, student painters etc

College policies students shifting from w/s to

WAC 251 or 253 exempt hours per year/internship hours

Student body staff- our students' waivers- student president, senate

Clark College, Columbia Basin, other colleges do Background checks- all new employees working in fin aid including w/s

John- community service- how to get the 7%

Can reimburse up to 90% need letter to state not affiliated with your school and is non profit, for those you can't pay the match.

Gayle spends FWS/ SWS funds retroactively

Look on WSASEA website for how to spend work study budget.

Are employers laying off workers to hire SWS?
